SPORTS

Gold Medal | National Dancesport Championship | 2023

Bronze Medal | Asian Science and Mathematics Olympiad (ASMO) | 2023

LEADERSHIP

Wish Bag | Link fanpage | Photos **May/2024 - Present**

Founder | Non-profit organization promoting sustainability and Vietnamese culture through recycled tote bags |

- Founded and led WishBag, a student-run non-profit brand producing tote bags from recycled fabric scraps, reducing textile waste and promoting eco-friendly consumption.
- Allocated profits to fund charity initiatives: purchasing presents, food, and organizing fun activities for underprivileged children in highland and rural areas.
- Directed awareness campaigns to raise environmental consciousness among youth while conserving Vietnamese cultural identity through traditional designs on tote bags

Organizer | Echoes Of The HighLands | Link Fanpage | Photos **September/2025**

- Initiated a mid-autumn fundraising campaign by organizing custom mooncake sales, leveraging entrepreneurial efforts to finance charitable activities for disadvantaged children.
- Orchestrated a vibrant festival event at a remote primary school, designing interactive food/beverage booths and live cultural performances that engaged local students.
- Coordinated end-to-end gift distribution logistics, delivering care packages funded by community initiatives to support underprivileged families and students in Binh Phuoc.

Organizer | The Stream of Love | Photos **June/2025**

- Combined academic exploration with community service in Tien Giang, touring the Southern Fruit Research Institute to study rare plant species and agricultural cultivation.
- Gained practical exposure to manufacturing and production workflows during a guided tour of a commercial chocolate factory, analyzing standard processing and quality protocols.
- Spearheaded a local outreach initiative, visiting a community temple to distribute essential gifts and supplies to children and families facing financial hardships.

Community of Innovators | Link Fanpage

President | An organization dedicates itself to creating a sustainable environment through eco-friendly initiatives and supports underprivileged communities via targeted charity efforts | Link Fanpage **May/2025 - Present**

- Directed communications strategy, conceptualized, and created content for social media to promote club activities and mission.
- Designed all promotional materials, posters, and flyers to strengthen brand visibility and drive member/community engagement.
- Planned and executed partnerships with charity organizations to organize gift distribution events for underprivileged children.
- Along with the club members, I participated in preparing ingredients for the charity kitchen and distributing more than 1,000 free meals to everyone at Chợ Rẫy Hospital

RESEARCH

The Impact of Artificial Intelligence Applications on Service Workers Intentions to Adapt Their Careers in Vietnam | Research Paper

Co-Author March/2026 - September/2026

- Abstract: Utilized the S-O-R model and SmartPLS (N=302) to demonstrate how workplace AI adoption and employee adaptive mindset drive career adaptation in Vietnam's service sector.
- Instructor: Ms. Mai Thi Dung - University of Labour and Social Affairs
- **Assisted in data collection and survey administration**, gathering 302 responses from the service sector to evaluate employee perceptions of AI's impact.
- **Utilized SmartPLS software** to run statistical analyses under mentor guidance, helping interpret structural equation modeling results (identifying key variance and impact paths).
- **Synthesized research findings into actionable insights**, highlighting how worker attitudes and confidence shape career adaptation in AI-driven environments.

Shaping the Future of Work: How Artificial Intelligence Transforms Managerial Roles and Career Pathways | Research Paper

Co-Author April/2025 - August/2025

- Abstract: Grounded in RBV and Dynamic Capabilities, this mixed-methods study shows how AI enhances managerial productivity, expands strategic leadership, and creates new interdisciplinary business roles.
- Instructor: Ms. Vuong Thi Huyen Trang - Ha Noi Agricultural Genetics Institute
- **Authored a peer-reviewed research paper** published in *IJAMSR*, investigating AI's disruptive and enabling impacts on business management careers, corporate structures, and workforce productivity.
- **Executed a sequential mixed-methods research design**, leveraging both qualitative insights from CEO/HR interviews and quantitative survey data to evaluate technology adoption trends.
- **Applied advanced statistical modeling techniques, specifically Partial Least Squares Structural Equation Modeling (PLS-SEM),** to analyze survey datasets and measure AI's impact on managerial workflows.
- **Synthesized empirical findings on enterprise automation and productivity,** demonstrating how AI redefines interdisciplinary management roles and optimizes business ecosystem strategies.

INTERNSHIP

GALAXY TECHNOLOGY SERVICE JOINT STOCK COMPANY | Link **|** Certificate

Business Analytics Intern

- Gathered and documented social media performance metrics and user engagement data to identify emerging market trends.
- Practiced data visualization techniques by designing interactive dashboards using analytics tools (e.g., Power BI, Tableau, Excel).
- Synthesized multi-source datasets to build consolidated analytical reports and business insights.

PHU NHUAN HIGH SCHOOL PROJECT

School Flashmob Contest Team **February/2025 - March/2025**
Leader

- Directed and represented the class in a school-wide flashmob competition.
- Choreographed the full dance routine, ensuring synchronization and creativity for all team members.
- Selected and coordinated outfits to enhance performance unity and stage presence.
- Motivated and guided classmates through rehearsals, boosting confidence and team spirit during the contest

Phu Nhuan High school's Food Festival
Leader

- Conceptualized and planned activity schedules for the school's food festival events.
- Coordinated classmates according to approved execution plans, ensuring smooth operations throughout the festival.
- Managed and audited event expenditures to maintain budgetary compliance for festival organization.

Community service at Cho Ray Hospital
Coordinator

- Guided and navigated patients and visitors through hospital procedures and directed them to designated departments.

- Assisted patients in installing mobile applications to streamline hospital check-in and administrative workflows.
- Logged basic patient information into the hospital database to support record management.
- Handled essential administrative paperwork to assist visitors and patients with hospital registration procedures
